

Biodiversity

“What is biodiversity?”

All the variety of life that can be found in one area.

When there are a lot of different kinds of insects, birds, animals and plants in one environment they interact together to make a healthy ecosystem.

Wildflower meadow

Win a scooter!

Colour in this scene with wildflowers on the riverbank for a chance to win a children’s scooter, for ages 5 to 11 years old

*The competition is open to children living in and around Hawick email us a photo of your artwork by 10th July to enter ^{*see T&Cs}*

Hawick's Wee Explore

Welcome to the children's activity section.

To see answers and the T&Cs for entering our competition visit: www.hawickfloodscheme.com/news

Email a photo of any completed activities to: hawickfloodps@scotborders.gov.uk

for the chance to win a scooter and appear in our online gallery. The biodiversity colouring competition is open to children living in and around Hawick aged between 5 - 11 years old.

Colour in any of these construction vehicles you have spotted around the town. Write down the number of each vehicle that you have seen and it's name:
